The Olson-Dempsey Fund for Public Trust in the Great Lakes

The following donors have made gifts between October 1, 2021 and September 30, 2022, to The Olson-Dempsey Fund for the Great Lakes, established in December, 2020, to support work that educates the public about the power of public trust law, underscoring the rights and responsibilities of the public and public officials. By underwriting public presentations, communications initiatives, and engagement activities, the Fund shines a light on the power of the public trust to inform law and science-based policy protecting the Great Lakes.
